SUBJECT INDEX

A

- Accountability
 - students and, 385-90
- Achievement goal theory
 - motivation to learn and, 387-88
- Action theory
 - organization and, 67-70
- Activation activity
 - overcoming misconceptions and, 359-60
- Acute stress disorder, 140
- AD
 - See Alzheimer's disease
- Adaptive functioning
 - adolescent development and, 271
- Adaptive processing
 - neural networks and, 19
- Additive conjoint measurement, 7
- Adjustment disorder
 - comorbidity, 128
- Adolescence
 - acting out
 - family-based intervention models, 28
 - needs for autonomy and control and, 276
 - research on problems, 274-84
 - theory and research
 - emergent themes, 267-71
 - Adolescent development, 265-88
 - emergent themes, 285-87
 - models, 266
 - pathways and trajectories, 271-73
 - processes of risk and resilience, 273-74
- Advanced manufacturing technology (AMT), 74-75
 - human resource management and, 244
- Affective disorders
 - genetic studies, 644
- Affective psychosis, 133
- Affective reaction
 - positive
 - neural basis, 222
- Age
 - behavioral couple therapy and, 42
- Agency theory
 - human resource management and, 242-43
- Aggression
 - abused/neglected children and, 415-16
 - adolescence and, 272, 274-79
 - developmental pathways, 277-78
 - familial
 - gene, 626
 - genetic studies, 644-45
 - psychoticism and, 313
 - societal context, 665-66
- Aggressiveness
 - child maltreatment and, 417-18
 - sexual
 - child sexual abuse and, 424
- Aging
 - sentence comprehension and, 104
 - speed of behavior and, 329-50
- Agnosia, 494
- Agoraphobia
 - comorbidity, 129
 - couple and family therapy, 40
- Agreeableness, 657, 660-61, 675
 - genetic contributions, 634-35
- AIDS dementia, 333
- Alcohol abuse
 - delinquent behavior and, 278
 - neurological dysfunction and, 337-38
- Alcohol abuse/dependence
 - comorbidity, 128
 - subtypes, 134-35
- Alcoholic dementia, 515
- Alcoholic Korsakoff syndrome
 - amnesia and, 497
 - memory and, 501, 517-18
